CUSTOMER:	Full entity name: Binance Investments Co., Ltd Registration No: 212603 Registered address: House of Francis, Room 303, ILe Du Port, Mahe, Seychelles
SUPPLIER:	Full entity name: Dieter Lecona Gonzalez, Soluciones Legales Publico Privadas (DLG SPP) Registration/Identification No: DSP190114VE4 Registered address: 1000 Guillermo Gonzales Camarena St., Flat 2, Office 202, Centro de Cidade Santa Fe, Mexico City
AGREEMENT START DATE / END DATE	Start Date: June 1st, 2025 End Date: May 31st, 2026
SERVICES TO BE PROVIDED:	<i>The services to be provided by the Supplier shall include the following:</i> <i>1. Develop, together with the Customer's policy team, a broad public affairs strategy to allow the Customer to reach its business objectives in Mexico.</i> <i>2. Ongoing risk assessment to identify main challenges and opportunities for crypto growth and adoption in Mexico</i> <i>3. Support the Customer's team in solidifying its strategic government relations in Mexico.</i> <i>4. Facilitate engagement with key stakeholders in the regulated financial sector and other relevant sectors related to the activities and purposes of the Customer.</i>

PRIVATE & CONFIDENTIAL.

	<i>5. Develop the Customer's message for every occasion, creating the right narrative and adjusting it for each engagement with stakeholders.</i> <i>6. Accompany the Customer's executives to relevant meetings with stakeholders and provide strategic support and materials to ensure proper preparation for those meetings.</i> <i>7. If requested, engage on behalf of the Customer with key stakeholders in the financial sector and others relevant to its activities.</i> <i>8. When information is available, inform the Customer of relevant events and initiatives regarding crypto and financial innovation in which financial regulators participate. The Supplier may participate on behalf of the Customer to report back any relevant information.</i> <i>9. Provide intelligence for decision-making and advise on Mexican national policy-making issues on regulatory financial matters, particularly those that could be relevant for the development of the crypto market in Mexico.</i> <i>10. Track and monitor any relevant regulatory activity on financial matters from the main Mexican national bodies and regulators.</i> <i>11. If requested, analyze such regulatory activity and produce notes describing the possible impact on the Customer's business lines.</i> <i>12. If any regulation is submitted for consultation by any regulatory body, support the Customer's team in its analysis, preparation of comments/proposals, and ensure it is submitted to the relevant authority.</i> <i>13. Prepare, if requested by the Customer, general reports regarding the financial/crypto regulation in force in Mexico or analyses of certain matters thereof.</i>
